## BRING ON THE COLD!

Its time once again to begin planning your trip to Mabee Scout Reservation for a winter adventure your Scouts won't soon forget! In preparing for camp it is important that you read this guide in its entirety and share the information with your scouts and their parents.

Winter Camp is an exciting opportunity for your unit and a chance to get outdoors and attend CAMP! The focus of Winter Camp is to provide Scouts the opportunity to earn Eagle required merit badges, but that's not all Winter Camp has in store for you and your scouts. Each day has time for activities like, shooting, hiking, climbing and zip lines. Adult leaders can take advantage of training opportunities, including IOLS, CPR, and First Aid. In the evening your unit can enjoy the comfort of the dining hall with nightly activities like game tournaments and movies.

Information found in this guide will be continually updated on our website so be sure to check back for updates to programs. Through this process if we can be of service to your unit with questions or clarifications.

## WINTER CAMP & COVID-19

---

We will be implementing several protocols to help keep everyone as safe as possible and we have been working with the local health department to ensure our protocols are up to date. Updates will be posted and sent via email to those that we have emails and modifications to class locations or schedules may need to be juggled to keep everyone safe.

We wanted to begin preparing you for Winter Camp and what you can expect to help keep everyone healthy. We know that an outdoor program is essential to Scouting and we appreciate you being flexible as we implement some of these enhanced protocols as it will inevitably change some aspects of Winter Camp so we can offer a safe program this year. The safest environment we can provide is only due to a partnership **we create with you.**

The following protocols and updates are intended to keep everyone safe while still providing a fun outdoor program for your Scouts. It will take cooperation **from adult leaders onsite, volunteer staff, the Scouts, and parents/ guardians at home before the event to prepare Scouts of what is expected of them while at camp.**

In order to be able to have this event the following protocols will need to be implemented. Anyone knowingly or willfully disregards the protocols will be asked to leave Winter Camp for the safety of all others.

See below for specific items and stay tuned for further updates as they become available. Please see the protocols attached and specific Winter Camp highlights are below:

- Units will be assigned areas to sit while eating and distanced from other units. As a unit is traveling together and camping together, we are considering each troop a "family unit" and allows them to sit together inside the dining hall when eating meals.
- At mealtimes everyone must first wash their hands and will sanitize as they enter. Face coverings **MUST** be worn while indoors (including while going through the meal line) and will space a part as they continue through the line.
- Food will be placed on trays (no buffet lines) and additional items (salad dressings, condiments, etc.) will be single serve. All plates and silverware are single use items. It is highly encouraged that you bring your own water bottle to carry during the day and have with you at mealtimes. This will help reduce the amount of traffic going to get drinks at the same time.
- Units will be asked to eat and clean/ sanitize their area and depart the dining hall so staff can assist the next shift in entering and reduce the number inside the dining hall.
- Emails will be sent out to notify your unit of their meal shift and confirm campsites and review check-in procedures. Due to COVID-19 protocols, our meals may go into two shifts. We will be notifying everyone if that is required. *\*Merit Badge schedule of offerings will not change\**
- Face coverings and 2oz bottle of hand sanitizer will be required of everyone. Face coverings will be required indoors and when 6ft of social distance cannot be achieved. When Scouts (or adults) are traveling between areas (even if outdoors) and are within 6ft face coverings will be required. Onsite adults, staff, and volunteer staff are encouraged to help remind those that may forget at times to vigilantly wear face coverings.

## WINTER CAMP & COVID-19

---

- Plan on **ARRIVING AS A UNIT** to Winter Camp. The check in process will be longer than in the past and this will make it much easier if the unit arrives together. Have all your paperwork organized to help make check-in go faster. If your unit is not able to caravan together, please coordinate a time to be at Winter Camp at the same time and gather before you begin the check-in process. We will only check in full units.
- Up to 2 people per unit will be allowed in the check-in area. You may be asked to wait until the unit in front of you is fully checked in so we can distance during this process (face coverings required).
- During this time the rest of the unit may begin moving into the campsite.
- Only designated vehicles will be allowed back into the campsite (a driving pass will be issued). It is asked that Scouts and other adults not driving that vehicle walk to the campsite.
- All attendees (participants and staff) must fill out the COVID-19 Pre-Screen Form – to be filled out within 24 hrs of your arrival at Winter Camp.
- All attendees (participants and staff) must have a [BSA Medical Form](#) on file with parts A,B,&C filled out.
- All MB classes have been capped and we will not exceed the limit. If you have Scouts that might prefer other MB instead of these please make those changes. We will be communicating directly with those that this might affect starting next week so that those class numbers are safe.
- Classes will be social distancing as possible.
- Face coverings are required.
- Weather permitting will meet outdoors under canopies and shelters.

## WINTER CAMP CHECK-IN

---

### Check-in runs from 9-11:30am on Monday, December 27th

- Troops need to arrive as a unit and check-in together.
- If it is not possible for your unit to check-in during this time period, please contact us two weeks prior to Winter Camp.
- If your troop must check-in early, there will be a fee for early arrival of any troop, or portion of a troop. The early arrival fee is \$100.00 per unit.
- When you arrive at camp you will be greeted by a staff member who will direct you to the appropriate place to park. Review COVID-19 protocols BEFORE arriving at Winter Camp.
- If your troop brings a trailer to camp you are allowed to leave it in the campsite, but your vehicles must be parked in the parking lot (not in your campsite). **NO VEHICLES ALLOWED IN CAMPSITES AFTER UNLOADING.**
- One adult leader from your troop will need to come to the OA building with all the paper work listed below, once all the necessary paperwork is turned in you will receive merit badge information and wrist bands for the troop.

### What to bring to check in:

- Physicals for all scouts and leaders on official BSA form, no sports or school physicals will be accepted.
- Completed COVID-19 Pre-Screen form.
- Unit Roster All adult leaders coming to Winter Camp must show proof of registration with BSA.
- Out of council troops will need to bring a copy of their councils insurance form.

## CAMP ACTIVITIES

### Game Night

Monday evening come join the staff in the Dining Hall for a night of cards, table top and classic board games. Staff will lead game tournaments and teach Scouts how to play new games. Scouts are welcome to bring their own games. The dining hall will be serving snacks.

### Movie Night

Tuesday evening will be movie night at Winter Camp! Popcorn and drinks will be available. You can expect the movie to run a little past lights out.

### Trivia Night

Wednesday evening, trivia night is your chance to show off just how smart you really are! Trivia questions will cover pop culture, academics, and Scouting knowledge. Bonus points will be awarded for knowledge of Scouting skills. Prizes will be awarded to the 1st, 2nd and 3rd place teams.

### Branding

In the evenings be sure to make time to get one of your favorite pieces of gear branded with our camp brand. Hiking sticks, hats and leather rounds make great branding items. The trading post will have camp mugs available to brand as well.

### Free Time

After lunch on Tuesday and Wednesday Scouts will have the opportunity to participate in activities like rifle shooting, shotguns, archery, climbing and zip lining! All free time activities are included in your camp fee.

## WINTER CAMP SPECIAL NEEDS ROSTER

We want to make your Scouts experience at Winter Camp is memorable, without the worries of food allergies. Our dining hall will make modifications to fit special dietary needs. You may also bring an ice chest with your Scout's name and troop number on it that contains food he will be able to eat in case there isn't a substitute. We will have ice at camp to keep this cold. This Special Needs Request will inform the staff of any foods that the Scout is allergic to. If an Epi-Pen is required, that needs to be listed on the Special Needs Request as well. Please be aware that there is a possibility of menu changes during the week.

If you have any questions concerning this you can contact us at **918-743-6125** or email **wintercamp@okscouts.org**

**Please list all Scouts & leaders requiring special needs including:**

- specific medical treatments while in camp
- special diets
- special medical equipment (including adults that require transportation)

# ADULT LEADER TRAINING

---

- Winter Camp will be offering Introduction to Outdoor Leadership Skills (IOLS).
- American Red Cross First Aid & CPR with AED will be available for \$65. Class size is limited to 1 Instructor per 12 Students.
- American Red Cross Wilderness First Aid is Available for \$80. Class size is limited to 1 Instructor per 12 Students.

## American Red Cross First Aid & CPR with AED

This course provides the essential knowledge to act in life-threatening emergencies, including: how to determine the safe response to an emergency situation; recognizing and caring for life-threatening emergencies such as respiratory and cardiac problems; treating injuries, including severe cuts and burns, strains and sprains; threatening sudden illness, caused by poisonings, bites and stings; and Automated External Defibrillation (AED).

## American Red Cross Wilderness First Aid

This course is an intensive introduction on caring for an accident or sudden illness victim when emergency medical help is not immediately available. Topics include assessing the situation, prioritizing care, and supporting the victim until emergency help is available. Specific care is discussed for severe bleeding, head and spinal injuries, breaks, burns, shock and illness related to the environment. CPR/AED training is not included in Wilderness First Aid. CPR certification is required **before** taking this class. *(both days required)*

## Introduction to Outdoor Leadership (IOLS)

Working as patrols, this hands-on course provides adult leaders the practical outdoor skills they need to lead Scouts in the out-of-doors. Upon completion, leaders should feel comfortable teaching Scouts the basic skills required to obtain the First Class rank. Along with Scoutmaster Specifics this course is required of all direct contact Boy Scout leaders in order to be considered "trained", that includes Assistant Scoutmasters. IOLS is free for any registered Winter Camp leader.

**If you are interested in taking these trainings for adults  
use the form on page 14 to register.**
