

ADULT LEADER TRAINING

- Winter Camp will be offering Introduction to Outdoor Leadership Skills (IOLS).
- American Red Cross First Aid & CPR with AED will be available for \$65. Class size is limited to 1 Instructor per 12 Students.
- American Red Cross Wilderness First Aid is Available for \$80. Class size is limited to 1 Instructor per 12 Students.

American Red Cross First Aid & CPR with AED

This course provides the essential knowledge to act in life-threatening emergencies, including: how to determine the safe response to an emergency situation; recognizing and caring for life-threatening emergencies such as respiratory and cardiac problems; treating injuries, including severe cuts and burns, strains and sprains; threatening sudden illness, caused by poisonings, bites and stings; and Automated External Defibrillation (AED).

American Red Cross Wilderness First Aid

This course is an intensive introduction on caring for an accident or sudden illness victim when emergency medical help is not immediately available. Topics include assessing the situation, prioritizing care, and supporting the victim until emergency help is available. Specific care is discussed for severe bleeding, head and spinal injuries, breaks, burns, shock and illness related to the environment. CPR/AED training is not included in Wilderness First Aid. CPR certification is required before taking this class.

Introduction to Outdoor Leadership (IOLS)

Working as patrols, this hands-on course provides adult leaders the practical outdoor skills they need to lead Scouts in the out-of-doors. Upon completion, leaders should feel comfortable teaching Scouts the basic skills required to obtain the First Class rank. Along with Scoutmaster Specifics this course is required of all direct contact Boy Scout leaders in order to be considered "trained", that includes Assistant Scoutmasters. IOLS is free for any registered Winter Camp leader.

**If you are interested in taking these trainings for adults
use the form on page 14 to register.**
